Biology 497 Permission Form

To be eligible for BIOL 497: Undergraduate Research, Biology majors must complete BIOL 115N/116N with a grade of C or better and have junior standing, as well as permission of the instructor and permission of the CDA. Please complete the following and submit Dr. Doug Mills for approval. Biology majors may earn 1-3 credits upon completion of BIOL 497; BIOL 497 automatically counts as a lab credit.

Credit hours (check one): 

☐ 1 credit = 33 hours 
☐ 2 credits = 66 hours 
☐ 3 credits = 100 hours 

Start Date: 

End Date: 

DESCRIPTION OF UNDERGRADUATE RESEARCH PROJECT:

Please attach a paragraph description of the research project with the following information:

- Research question 
- Research to be completed including data and methods 
- Duties, projects, learning goals to be completed as appropriate 
- End product to be produced such as a paper or lab report 

Once the request for permission to enroll in BIOL 497 is approved by both the instructor and the CDA, students should contact the instructor for the BIOL 497 CRN and register for the assigned section. Students must also submit a copy of their completed research project to Dr. Mills by the last day of the course.
