

Publications: Harold G. Marshall, Professor Emeritus
Department of Biological Sciences
Old Dominion University
Norfolk, Virginia, USA 23529-0266
hmarshall@odu.edu

Marshall, H.G., P. Hargraves, J. Burkholder, M. Parrow, M. Elbrachter, E. Allen, v. Knowlton, P. Rublee, W. Hynes, T. Egerton, D. Remington, K. Wyatt, A. Lewitus, and V. Henrich. 2006. Taxonomy of *Pfiesteria* (Dinophyceae). *Harmful Algae*. 5: 481-496

Marshall, H.G., R. Lacouture, C. Buchanan, and J. Johnson. 2006. Phytoplankton assemblages associated with water quality and salinity regions in Chesapeake Bay, U.S.A. *Estuarine, Coastal, and Shelf Science*. 69:10-18.

Egerton, T. and H.G. Marshall. 2006. Feeding preferences and grazing rates of *Pfiesteria piscicida* and a cryptoperidiniopsoid preying on fish blood cells and algal prey. *Harmful Algae*, 5(4):419-426.

Lacouture, R., J. Johnson, C. Buchanan, and H.G. Marshall. 2006. Phytoplankton index of biotic integrity for Chesapeake Bay and its tidal tributaries. *Estuaries and Coasts* 29:598-616.

Marshall, H.G., L. Burchardt, and S. Cerbin. 2006. Dominance and morphology of two acidophilic diatoms from Lake Drummond, located in southeastern Virginia, U.S.A. *Proceedings of the 18th Diatom Symposium 2004*. Biopress Limited, Bristol, pp. 287-292.

Seaborn, D., T. Tengs, S. Cerbin, M. Kokocinski, and H.G. Marshall. 2006. A group of dinoflagellates similar to *Pfiesteria* as defined by morphology and genetic analysis. *Harmful Algae*, 5:1-8.

Wilk-Wozniak, E., S. Cerbin, H.G. Marshall, and L. Burchardt. 2006. Ultra-structure of two common cyanobacteria: *Microcystis aeruginosa* Kütz. and *Woronichinia naegeliana* (Unger) Elenkin using scanning electron microscopy. *Algological Studies* 121:85-89.

Marshall, H.G., T. Egerton, L. Burchardt, S. Cerbin, and M. Kokocinski. 2005. Long term monitoring results of harmful algal populations in Chesapeake Bay and its major tributaries in Virginia, U.S.A. *Oceanological and Hydrobiological Studies*, 34(3):35-41.

Marshall, H.G., L. Burchardt, and E. Wilk-Wozniak. 2005. Comparison of phytoplankton

and autotrophic picoplankton populations over a 24-hour period from a pond's surface and subsurface waters. *Oceanological and Hydrobiological Studies*. 34(3):229-235.

Duncan, P., B. Parris, S. Schlutz, J. Jones, A. Gordon, B. Dyer, and H.G. Marshall.

2005. Behavioral effects and drug vulnerability in rats exposed to *Pfiesteria* toxin. *Neurotoxicology and Teratology*, 27(5):701-710.

Marshall, H.G. and L. Burchardt. 2005. Phytoplankton development within tidal freshwater regions of two Virginia rivers, U.S.A. *Virginia J. Science*, 56(2):67-81.

Gordon, A.S., H.G. Marshall, S. Shumway, K. Coyne, A. Lewitus, M. Mallin, and P. Rublee, 2005. Characterization of *Pfiesteria* ichthyocidal activity. Letter to the Editor, *Applied and Environmental Microbiology*, 71(10):6463-6464.

Marshall, H.G. and L. Burchardt. 2005. Neuston: Its definition with a historical review regarding its concept and community structure. *Archiv fur Hydrobiologie*, 164(4): 429-448.

Buchanan, C., R. Lacouture, H. G. Marshall, M. Olson, and J. Johnson. 2005. Phytoplankton reference communities for Chesapeake Bay and its tidal tributaries. *Estuaries*, 28:138-159.

Marshall, H.G., L. Burchardt, and R. Lacouture. 2005. A review of phytoplankton composition within Chesapeake Bay and its tidal estuaries. *J. Plankton Research*, 27(11): 1083-1102.

Burkholder, J., A. Gordon, P. Moeller, J. Law, K. Coyne, A. Lewitus, J. Ramsdale, H.G. Marshall, N. Deamer, S. Cary, J. Kempton, S. Morton, and P. Rublee. 2005. Demonstration of toxicity to fish and to mammalian cells by *Pfiesteria* species: Comparison of assay methods and strains. *Proceedings of the National Academy of Science*, 102(9):3471-3476.

Marshall, H.G. and L. Burchardt. 2004. Phytoplankton composition within the tidal freshwater-oligohaline regions of the Rappahannock and Pamunkey Rivers in Virginia. *Castanea*, 69(4):272-283.

Marshall, H.G. and L. Burchardt. 2004. Monitoring phytoplankton populations and water quality parameters in estuarine rivers of Chesapeake Bay, U.S.A. *Oceanological Hydrobiological Studies*. 33:55-64.

Burchardt, L., K. Lastowski, and H.G. Marshall. 2004. On the ecological status of the concept "Boundary Conditions". A few methodological remarks. *Ecological Questions*, 4:9-12.

Burchardt, L. and H. Marshall. 2003. *Asterionella ralfsii* W. Smith in the sub-surface

neuston layer of Lake Drummond, Virginia, USA. In: *Algae and Biological State of the Water. Acta Botanica Warmiae et Masuriae*. 3:79-86.

Marshall, H., T. Egerton, T. Stem, M. Kokocinski, and J. Hicks. 2003. Increased abundance of *Dinophysis acuminata* in Chesapeake Bay and its tributaries. In: *Algae and Biological State of the Water. Acta Botanica Warmiae et Masuriae*. 3:61-70.

Marshall, H. and L. Burchardt. 2003. Characteristic seasonal phytoplankton relationships in tidal freshwater/oligohaline regions of two Virginia (U.S.A.) rivers. In: *Algae and Biological State of the Water. Acta Botanica Warmiae et Masuriae*. 3:71-78.

Marshall, H. 2003. Toxic algae: their presence and threat to Chesapeake Bay, U.S.A. In: *Algae and Biological State of the Water. Acta Botanica Warmiae et Masuriae*. Olsztyn. 3:51-60.

Kokocinski, M. and H.G. Marshall. 2003. Recognizing toxic species in aquatic habitats: a potential concern in lake management. *Journal of Limnology*, 62(2):172-174

Burchardt, L. and H.G. Marshall. 2003. Algal composition and abundance in the neuston sub-surface layer from a lake and pond in Virginia, U.S.A. *Journal of Limnology*, 62(2):139-142.

Burchardt, L. and H. Marshall. 2003. Zbiorowisko epifitow w fitoplanktonie jexiora mezotroficznego. *Fragm. Flor. Geobot. Polonica* 10:267-272 (In Polish)

Marshall, H.G., M. Lane, and K. Nesius. 2003. Long-term phytoplankton trends and related water quality trends in the lower Chesapeake Bay, Virginia, U.S.A. *Environmental Monitoring and Assessment*. 81:349-360

Gordon, A.S., B.J. Dyer, D. Seaborn, and H.G. Marshall. 2002. Comparative toxicity of *Pfiesteria* spp., prolonging toxicity of *P. piscicida* in culture and evaluation of toxin(s) stability. *Harmful Algae*, 1:85-94.

Seaborn, D., W. Dunstan, H. Marshall, A. Gordon, and M. Seaborn. 2002. Growth and toxicity studies of the dinoflagellates *Cryptoperidiniopsis* sp., *Gyrodinium galatheanum*, and *Pfiesteria piscicida*. In: G. Hallegraeff, S. Blackburn, C. Bolch, and R. Lewis (eds.) *Harmful Algal Blooms 2000. Proceedings Ninth International Conference on Harmful Algal Blooms*. pp.92-96.

Marshall, H.G. 2002. Autotrophic picoplankton: Their presence in marine and freshwater ecosystems. *Virginia J. Science*, 53:13-33.

Burkholder, J., H. Marshall, H. Glasgow, D. Seaborn, and N. Deamer-Melia. 2001. The standardized fish bioassay procedure for detecting and culturing actively toxic *Pfiesteria*, used by two reference laboratories for Atlantic and Gulf Coast States. *Environmental Health Perspectives*, 109 (Suppl. 5): 745-756.

Burchardt, L. and H. Marshall. 2001. Niektóre gatunki podstawowe” i specjalne” w fitoplanktonie Jeziora Góreckiego na terenie Wielkopolskiego Parku Narodowego. In: L. Burchardt (ed.) Ekosystemy Wodne Wielkopolskiego Parku Narodowego. Uniwersytet Im. Adama Mickiewicza W Poznaniu, Seria Biologia Nr.66, pp.149-160.(In Polish).

Technical Reports on Chesapeake Bay Phytoplankton in the Chesapeake Bay Monitoring Program Sponsored by the Virginia Department of Environmental Quality, Virginia Department of Health, and the U.S. Environmental Protection Agency

Birdsong, R., H.G. Marshall, R. Alden and R. Ewing. 1987. Lower Chesapeake Bay Mainstem Plankton Monitoring Program. Final Report for period July 1985-June 1986. For the Virginia Water Control Board. Old Dominion University Research Foundation, Norfolk, Virginia, April 1987. 125 p

Birdsong, R., H.G. Marshall, R. Alden and M. Ewing. 1988. Chesapeake Bay Program Monitoring Program. Final report 1986-1987. For the Virginia State Water Control Board (plus Appendices A-H). Old Dominion University Research Foundation, Norfolk, Va. July 1988. 137 pp.

Marshall, H.G. 1989. An appraisal of bloom producing phytoplankton in the Chesapeake Bay. Final Report, Virginia Environmental Endowment, Old Dominion University Research Foundation, Norfolk, Va., July 1989, 29 pp.

Birdsong, R., H.G. Marshall, R. Alden and M. Ewing. 1989. Chesapeake Bay Plankton Monitoring Program. Final Report 1987-1988. AMRL Tech. Rep. 703, Old Dominion University Research Foundation, Norfolk, Va. July 1989. 151 pp, Appendix 89 pp.

Marshall, H.G. 1991. Preliminary results of phytoplankton composition, abundance, and distribution in the lower Chesapeake Bay Monitoring Program. Old Dominion University Research Foundation, Norfolk, Va., January 1991, 113 pp.

Alden, R., R. Birdsong, D. Dauer, H.G. Marshall and R. Ewing. 1991. Lower Chesapeake Bay water quality and living resources monitoring programs: Synthesis Report for 1985-1989. Executive Summary. . Old Dominion University Research Foundation, Norfolk, Va., July 1991, 87 pp.

Alden, R. R. Birdsong, D. Dauer, H.G. Marshall and R. Ewing. 1991. Lower Chesapeake Bay water quality and living resources monitoring programs: Synthesis Report for 1985-

1989. Vol. II AMRL Tech Rept. 767, Old Dominion University Research Foundation, Norfolk, Va., July 1991, 207 pp.

Alden, R., R. Birdsong, D. Dauer, H.G. Marshall and M.Ewing. 1992 Virginia Chesapeake Bay Water Quality and Living Resources Monitoring Programs: Executive Report, 1985-1989. AMRL Rept. 848, Old Dominion University Research Foundation, Norfolk, Va., May 1992, 33 pp.

Alden, R., R. Birdsong, D. Dauer, H.G. Marshall and M. Ewing. 1992 Virginia Chesapeake Bay Water Quality and Living Resources Monitoring Programs: Comprehensive Tech. Report, 1985-1989. AMRL Rept. 848, Old Dominion University Research Foundation, Norfolk, Va., June 1992, 411 pp.

Marshall, H.G. 1993. Virginia Chesapeake Bay Monitoring Program: Phytoplankton communities report: 1990-1991. Old Dominion University Research Foundation, Norfolk, Va., May 1993, 65 pp.

Marshall, H.G. 1993. Micrzooplankton in the lower Chesapeake Bay, and the tidal James, York, and Elizabeth Rivers: July 1992-June 1993. (for Va. Dept. Environmental Quality) Old Dominion Univ. Research Foundation, Norfolk, Va., August 1993, 63 pp.

Marshall, H.G. and R. Alden. 1994. Long term trends in the Lower Chesapeake Bay (1985-1992): Phytoplankton. Chesapeake Research Conference, Toward a Sustainable Coastal Watershed: The Chesapeake Experiment. Proceedings of the Chesapeake Research Consortium Publ. No. 149. Norfolk, June 1994, pp. 418-428

Alden, R., D. Dauer, H.G. Marshall, S. Sokolowski, and M. Lane. Long term trends in the Lower Chesapeake Bay (1985-1992). Old Dominion University Research Foundation, Norfolk, Va, AMRL Tech. Rpt. 966, September 1995, 57 pp.

Marshall, H.G. 1995. Phytoplankton. In: L. Dove and R. Nyman (eds.) Living resources of the Delaware Estuary. The Delaware Estuary Program. pp. 25-29.

Marshall, H.G. 1997. Toxic phytoplankton assessment of diatoms in Virginia Eastern Shore estuaries of the lower Chesapeake Bay. In: R. Flint (ed.) Natural resource values and vulnerabilities: The second Virginia Eastern Natural Resources Symposium. The Eastern Shore Institute, Exmore, Va. (TESI) Publ. #4, pp. 82-86.

Alden, R. and H.G. Marshall. 1997. The relationship between phytoplankton indicators and water quality conditions in major tributaries of Chesapeake Bay. In: Phytoplankton indicators within the Chesapeake Bay Monitoring Program. Old Dominion University Research Foundation, AMRL Tech. Rept. 3051, Norfolk, Va. Nov. 1997. 48 pp.

Dauer, D., H.G. Marshall, K. Carpenter, M. Lane, R. Alden, K. Nesius, and L. Haas. 1998. Virginia Chesapeake Bay Water Quality and Living Resources Monitoring Programs: Executive Report, 1985-1996. Sp. Rpt. Old Dominion University Research Foundation, Applied Marine Research Laboratory, Norfolk, Va., 28 pp. January 1998.

Marshall, H.G., K. Nesius, and M. Lane. 1998. Phytoplankton status and trends in Virginia tributaries and the Chesapeake Bay: 1985-1996.. Old Dominion University Research Foundation, AMRL Tech Rept. 3063, Norfolk, Va., January 1998, 33 pp.

Dauer, D., M. Lane, H.G. Marshall, and K. Carpenter. 1999. Status and trends in water quality and living resources in the Virginia Chesapeake Bay: 1985-1997.. Final Rpt. Old Dominion University Research Foundation, AMRL Tech Rept. 3090, September 1998. 86 pp.

Dauer, D., M. Lane, H.G. Marshall, K. Carpenter, R. Diaz. 1999. Status and trends in water quality and living resources in the Virginia Chesapeake Bay: 1985-1998. Old Dominion University Research Foundation, AMRL Tech Rpt. 3113. December 1999, 116 pp.
