

Appendix E - Scatterplots of Primary Productivity

List of Figures

Figure 1. Plot of primary productivity against time at station TF5.5 for the period of 1989 through 2008.	1
Figure 2. Plot of primary productivity against time at station RET5.2 for the period of 1989 through 2008.	2
Figure 3. Plot of primary productivity against time at station LE5.5 for the period of 1989 through 2008.	3
Figure 4. Plot of primary productivity against time at station SBE5 for the period of 1989 through 2008.	4
Figure 5. Plot of primary productivity against time at station TF4.2 for the period of 1989 through 2008.	5
Figure 6. Plot of primary productivity against time at station RET4.3 for the period of 1989 through 2008.	6
Figure 7. Plot of primary productivity against time at station WE4.2 for the period of 1989 through 2008.	7
Figure 8. Plot of primary productivity against time at station TF3.3 for the period of 1989 through 2008.	8
Figure 9. Plot of primary productivity against time at station LE3.6 for the period of 1989 through 2008.	9
Figure 10. Plot of primary productivity against time at station CB6.1 for the period of 1989 through 2008.	10
Figure 11. Plot of primary productivity against time at station CB6.4 for the period of 1989 through 2008.	11
Figure 12. Plot of primary productivity against time at station CB7.3E for the period of 1989 through 2008.	12
Figure 13. Plot of primary productivity against time at station CB7.4 for the period of 1989 through 2008.	13

TF5.5

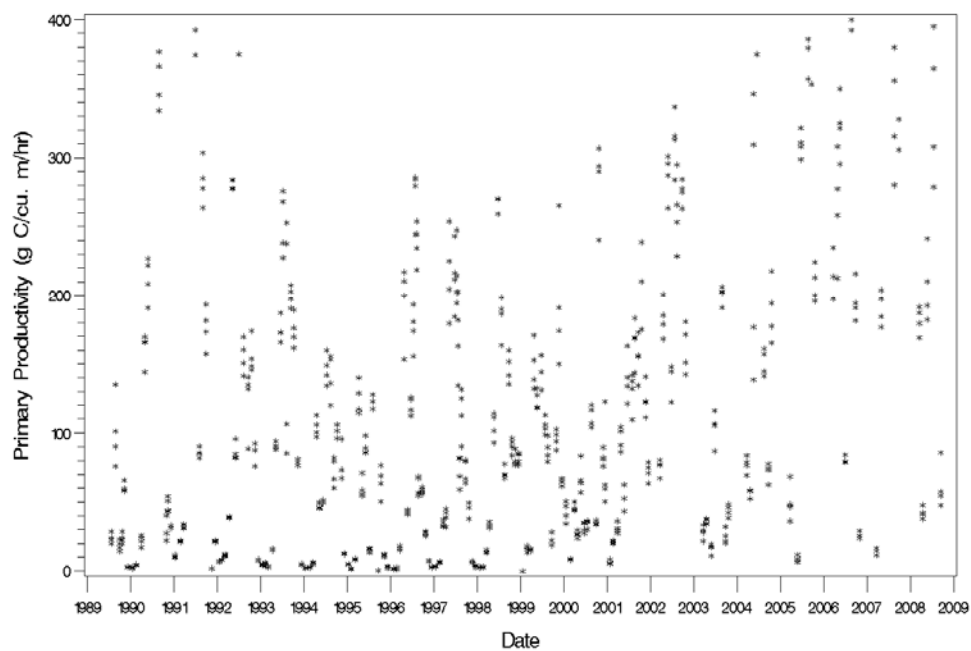

Figure 1. Plot of primary productivity against time at station TF5.5 for the period of 1989 through 2008.

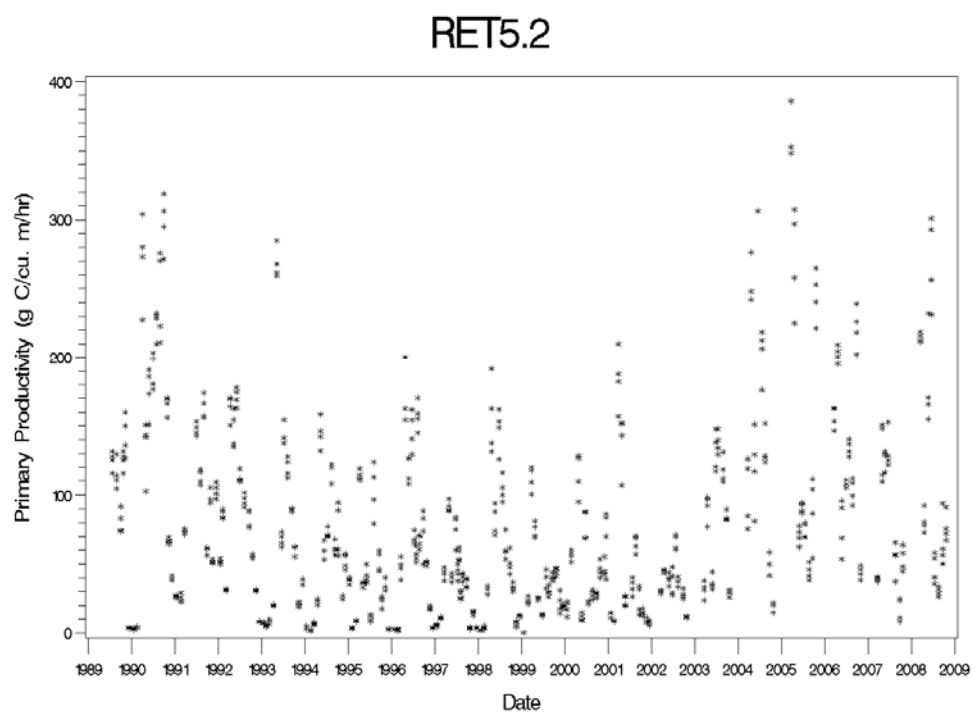

Figure 2. Plot of primary productivity against time at station RET5.2 for the period of 1989 through 2008.

LE5.5

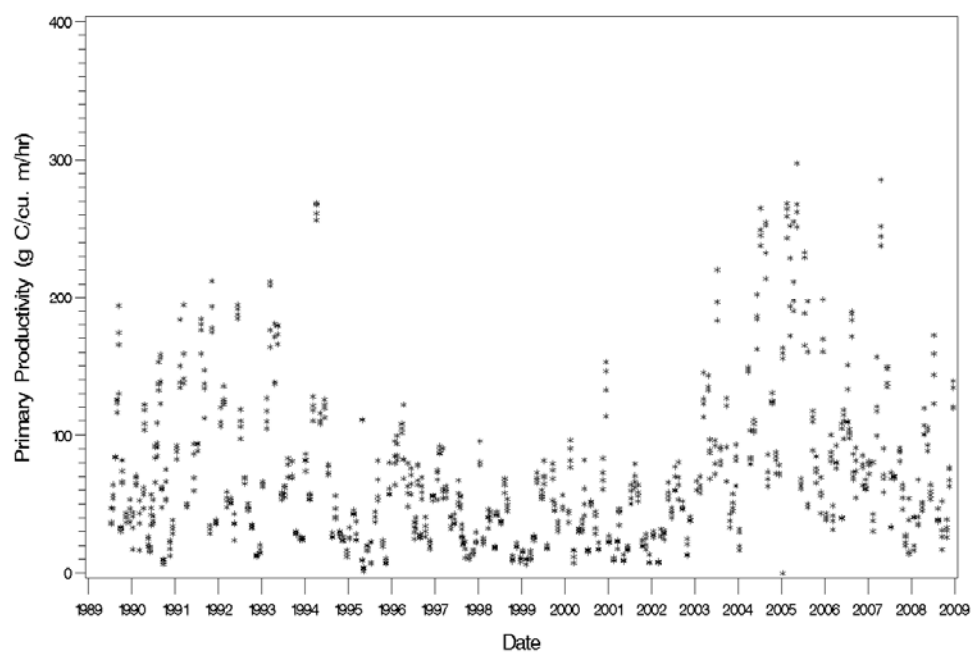

Figure 3. Plot of primary productivity against time at station LE5.5 for the period of 1989 through 2008.

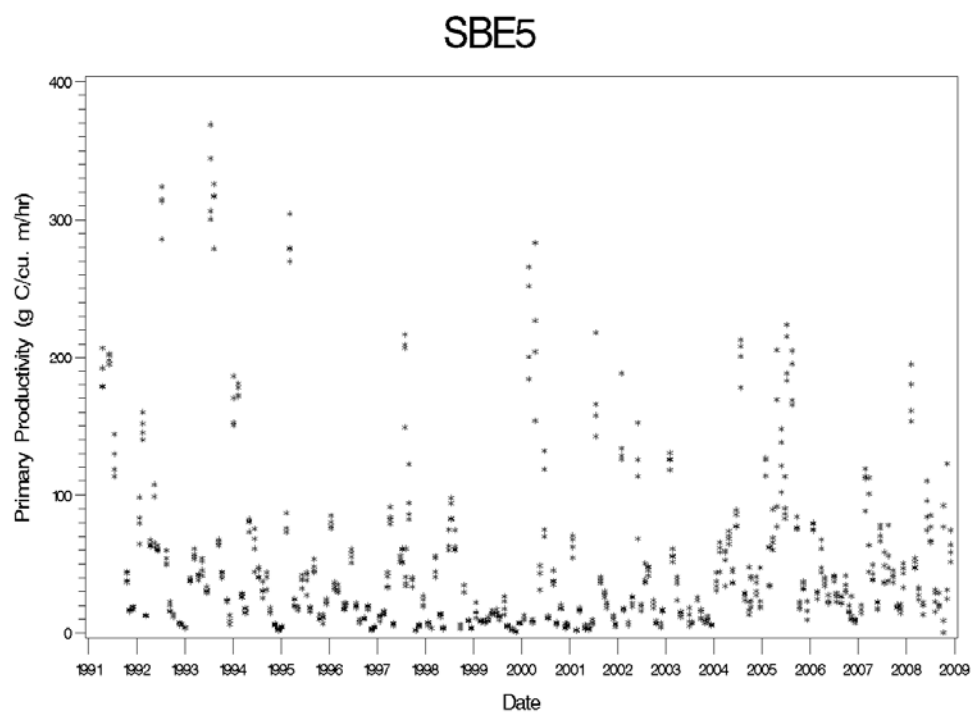

Figure 4. Plot of primary productivity against time at station SBE5 for the period of 1989 through 2008.

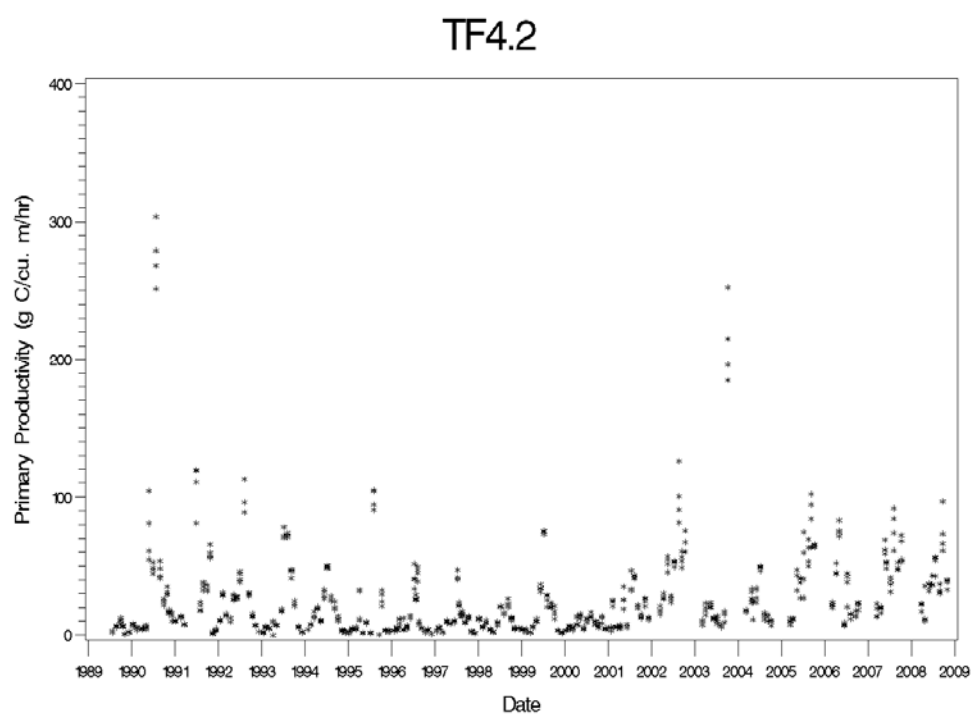

Figure 5. Plot of primary productivity against time at station TF4.2 for the period of 1989 through 2008.

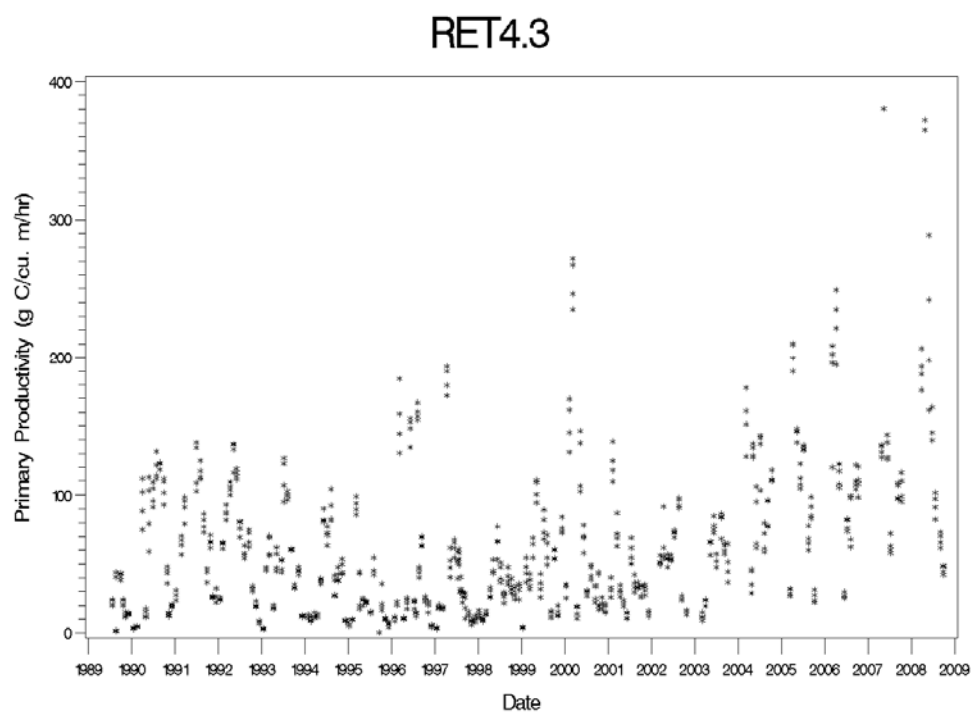

Figure 6. Plot of primary productivity against time at station RET4.3 for the period of 1989 through 2008.

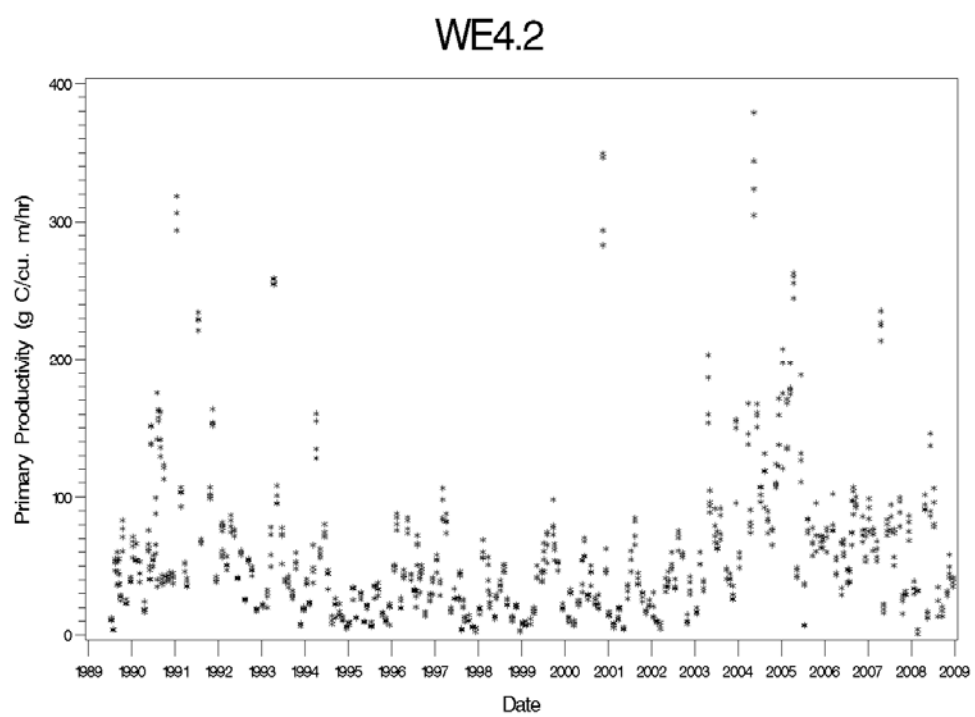

Figure 7. Plot of primary productivity against time at station WE4.2 for the period of 1989 through 2008.

TF3.3

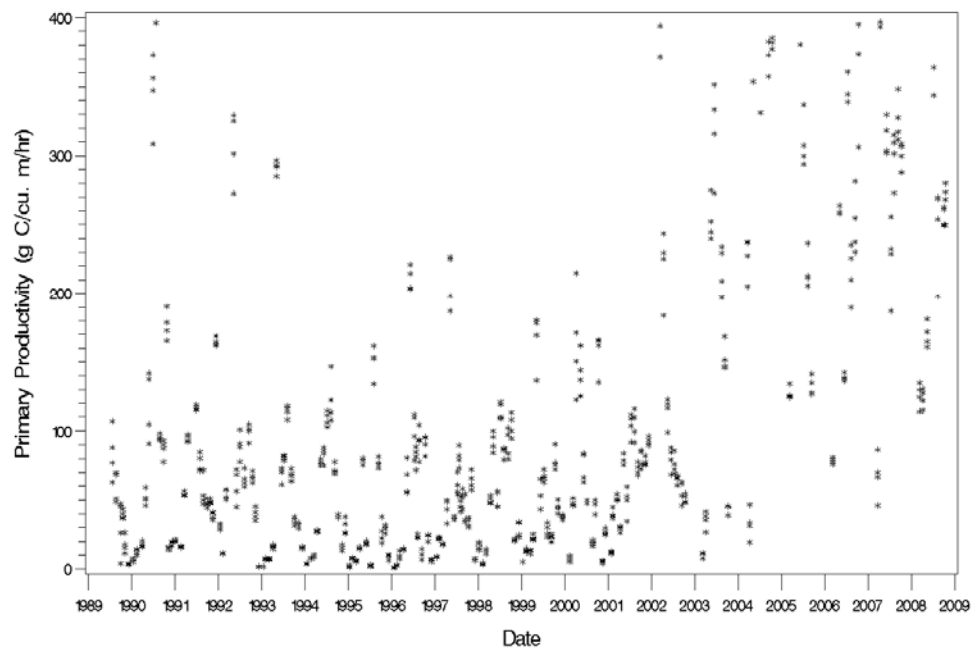

Figure 8. Plot of primary productivity against time at station TF3.3 for the period of 1989 through 2008.

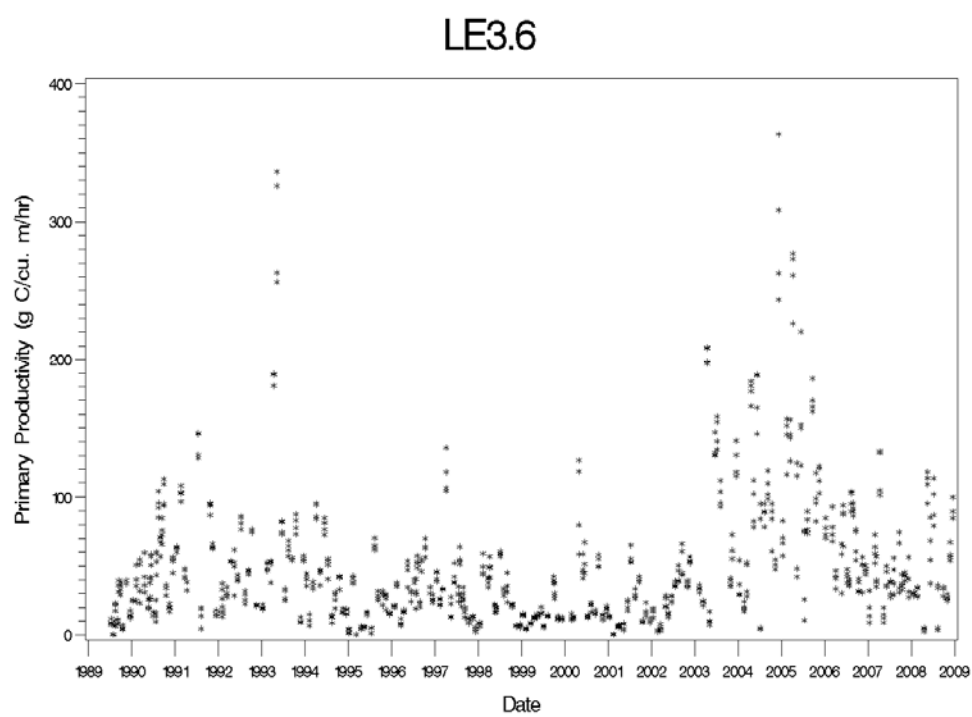

Figure 9. Plot of primary productivity against time at station LE3.6 for the period of 1989 through 2008.

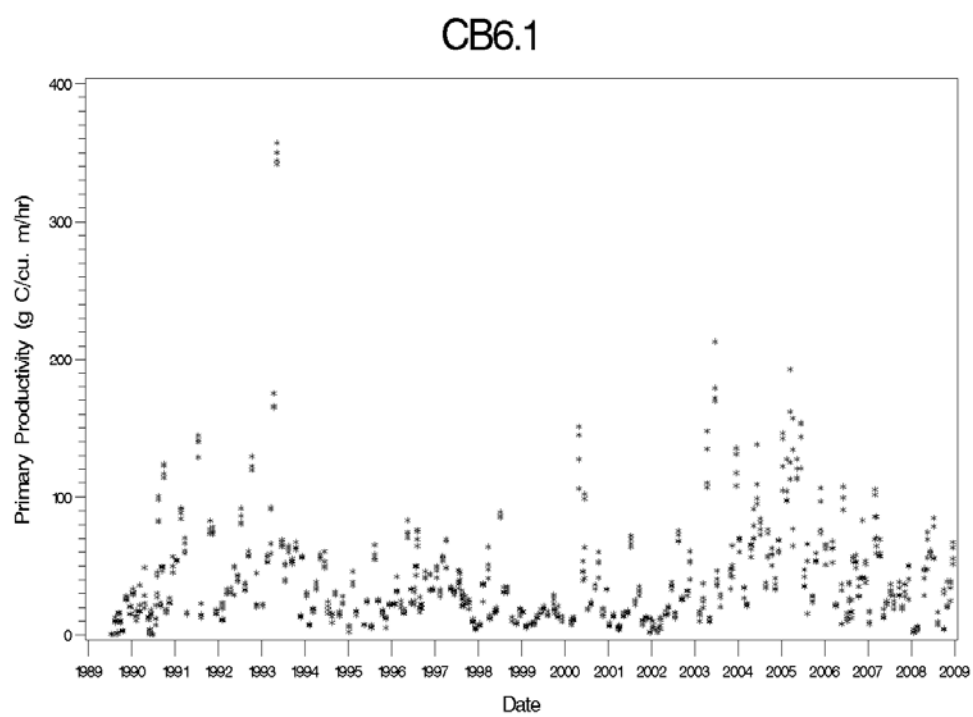

Figure 10. Plot of primary productivity against time at station CB6.1 for the period of 1989 through 2008.

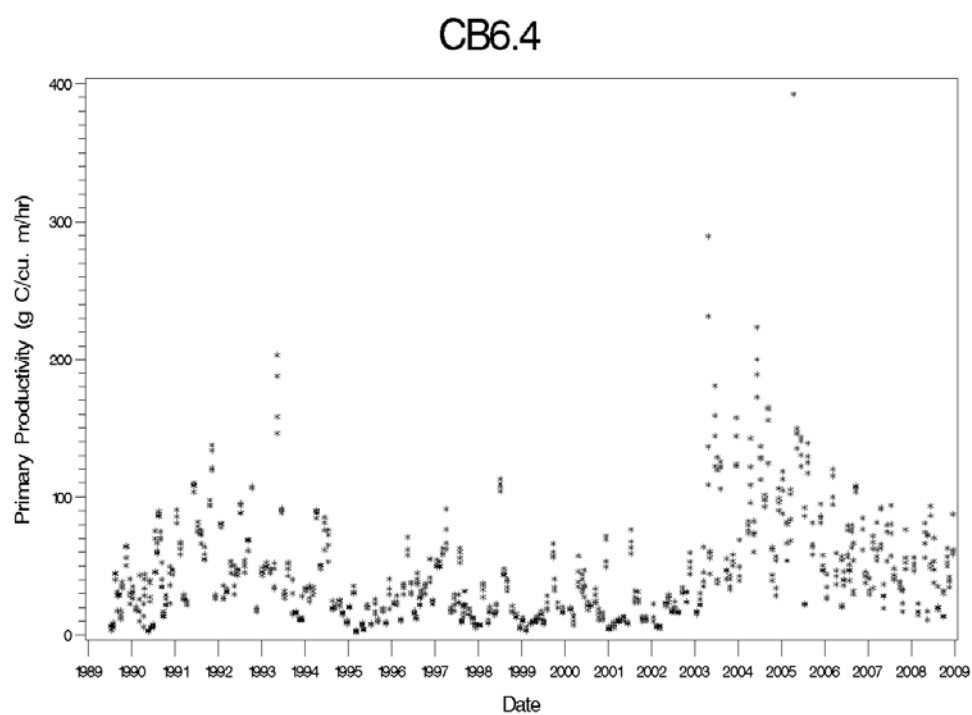

Figure 11. Plot of primary productivity against time at station CB6.4 for the period of 1989 through 2008.

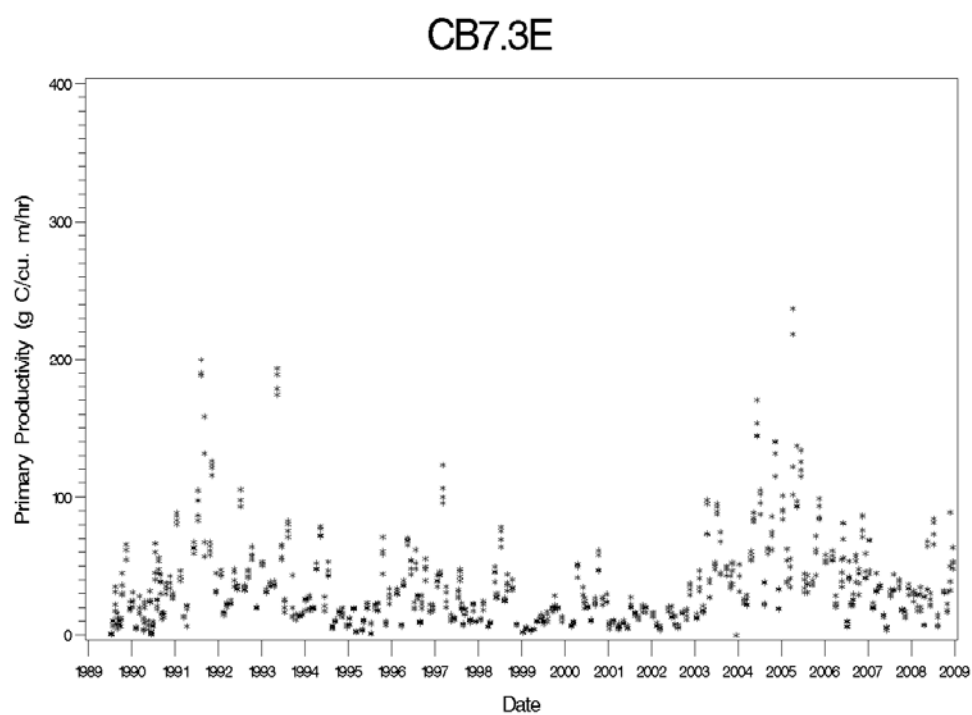

Figure 12. Plot of primary productivity against time at station CB7.3E for the period of 1989 through 2008.

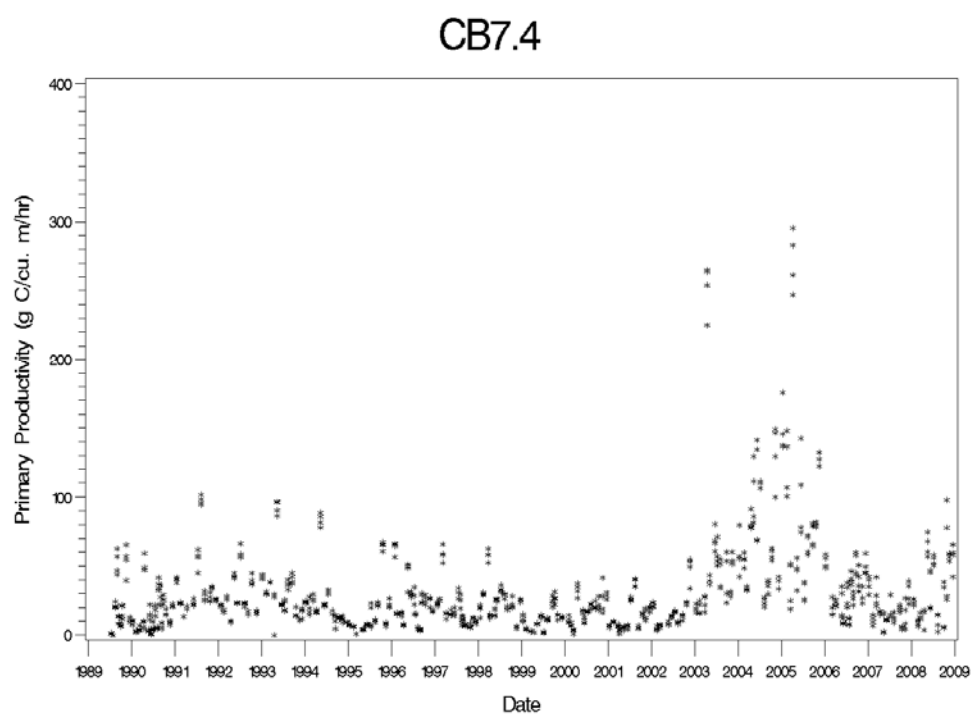

Figure 13. Plot of primary productivity against time at station CB7.4 for the period of 1989 through 2008.
