

Here my answers to FAQ:

From which area in Germany do you come?

I grew up close to the city of Stuttgart in southwest Germany.

What do you cook?

We are vegetarians and my most favorite food is dark chocolate. I am not cooking, but my Kurt does. All I do is come home and eat.

Do you have family?

I have my Kurt, his two kids Amber (15) and Alec (10), as well as two beagles, a cat, and two horses I brought with me from Germany. In addition, we have two guinea pigs, a snake, fish, and a bunch of hermit crabs.

My rescue "Biodiesel"

What music do you listen to?

My preferred piece right now is CERN from Alpine Kat

What was your most preferred field trip?

I really do not know. Each field trip is very special in its own, and a great memory. After all, it's not only about rocks. It is also about people. The wonderful people I am privileged to work with or that we meet during field trips.
